

## Minutes for Fundraising Committee Meeting 7/12/07

Attendees: Jim White, Susan White, Pat Thurston, Jackie Gamble, Sally Quinn, John Kuhl

### 1) Discussion of Planning Budget, and unresolved amount of money needed

Our committee needs guidance from the Hamlet Board on the amount of Professional help we are going to use in planning the area, and the amount of money that requires. We as a committee are going to attempt to raise \$5-6000.00 with two fundraising events in September. We are also going to work with Planning/Vision Committee, and outside resources to come up with a more concrete amount.

2) Letter to Hamlet Members to sign up, and pay to reserve a spot at either or both of the Hamlet fundraisers in September. John will have draft content of the letter by next meeting for review and discussion. We discussed cost of two printed pages, 2 stamps (one for return envelope). Sally will coordinate with outreach committee to get those out in plenty of time. Pat will Draft the Golf Portion of the sign up

3) Next we discussed our first two fundraising events in September. We are working on design of events that we hope will grow, and be fun for all involved, create fellowship and community, and make some money for our Hamlet.

### Discussion of Golf Event Fundraiser scheduled for September 15<sup>th</sup>

Pat Thurston will head the group working on this. The event will be at Sandelie Golf Course in the southern part of the Stafford basin. We have reserved 30 tee times beginning at 11am, and winding down to whenever you are done. We are working on prizes to be awarded at the end, and different special balls and side prizes along the way. This is meant to be for all ages, sexes, and abilities. The fee for this has tentatively been set by the committee at \$100 per golfer. \$27.00 of that goes for your green fees, the rest is a contribution to the Hamlet. Participants will be given a receipt, and you can write off the 73.00 difference. This is to be a best ball format. So get your twosome, foursome, or singular, and share an afternoon of golf and fun with your neighbors. If you know of sponsors that might like to get involved, please contact your favorite committee member.

### Discussion of Wine Tasting Event scheduled for 4-7 pm September 22<sup>nd</sup>

Jackie Gamble will head up the group working on this. The event will be held at Lake Oswego Hills Vineyard and will feature their wines, with finger food, and entertainment hopefully from Hamlet residents. This gives us an opportunity to share rumors, talk about those terrible neighbors across the road, discuss the latest happenings in the Hamlet and surrounding cities, metro, state measures etc. This is also meant to be a Hamlet recognition night for those who have recognition due. The \$50 fee per person has been tentatively set by the committee. We are planning on attendance of 40 at least, and hope that weather permitting it can be held outside.

Work on these events will really be gearing up this week, and if you are able to volunteer time, there are many things that will need to be done to make these events successful. The Fundraising committee really needs volunteers. Next Fundraising committee meeting: Tuesday July 24, 7pm at Market of Choice West Linn
